You can't keep a good comic down.

In the 1990s, **DEAD EYES** was a prolific stick-up man and hoodlum in Boston until he took down one last big score and disappeared. Nobody ever discovered the truth. He retired to be with the love of his life, but now he's back in the mask to save her. No one—not his wife, the mafia, or the cops—is happy that he's out of retirement.

From **JOHN MCCREA**, the artist and co-creator of **MYTHIC** and **Hitman**, and **GERRY DUGGAN**, the writer of **ANALOG** and **DEADPOOL**, comes the action, comedy, and drama of Martin Dobbs, a.k.a. **DEAD EYES**, the man who says he's descended from one of the original gangs of New York City. Get on board the oversized first issue of an all-new ONGOING SERIES for mature readers.

If you like the genre-blending narrative of **The Departed** and a good Brubaker/Phillips crime series, you'll love **DEAD EYES**.

ED BRUBAKER and **SEAN PHILLIPS**—the bestselling creators of **CRIMINAL MINDS**, **KILL OR BE KILLED**, **THE FADE OUT**, and **FATALE**—present their first original graphic novel in paperback for the very first time!

Teenage Ellie has always romanticized drug addicts, those tragic artistic souls drawn to needles and pills, ever since the death of her junkie mother ten years ago. But when Ellie lands in an upscale rehab clinic where nothing is as it appears to be, she'll find another—more dangerous—romance, and discover how easily drugs and murder go hand-in-hand.

MY HEROES HAVE ALWAYS BEEN JUNKIES

is a seductive coming-of-age story, a pop and drug culture-fueled tale of a young girl seeking darkness... and what she finds there.

"Readers of postmodern pulp will enjoy this intense story and unapologetically cunning character."

—Publishers Weekly (starred review)

"Provides plenty of truly twisted twists and wraps up with a pulpy punch of an ending that's satisfying—and heartbreaking... a fine addition to a staggering body of work."

—Library Journal (starred review)

"Like most **CRIMINAL** stories, there's a darkness, along with twists that cut to the core. Phillips' art utilizes a limited color palette that makes you feel the ideas that run through each scene, each of the narrator's thoughts and memories."
